Chapter 1 by SAMUEL FELIX

[Beep].....Starting up

I remember the day I was born. My father's face was filled with joy when I opened my eyes.

Father:"Your finally awake M3G4".

I sat up quickly to examen where I was. I turn towards father and ask "Who is M3G4".

Father:"You are M3G4 my creation".

I processed the information and continued on with my examination. I saw metal parts scattered over the ground and blinking lights on huge running machines. The first thing that comes to mind when I look at this place is "Home.... Is this my home".

Father:"Yes, yes it is your home, good". I ask "Are you my father".

Father gave me a weird look at first, but he became more excited after realizing what I said.

Father:"Yes, I am your father and you are my son". "Now let's get started my son".

M3G4:"Okay father".
